The Controller State Accounts Dept has sought clarification on the following points -

(1) Re the term "Reasonable Remuneration" referred to in Rule 13(1) of the Rules Regarding election of Directors Councillors of the Bldre Corporation

(ii) The Scale of expenditure to be incurred under each head such as conveyance have charg for the execution of Works on such occasions, the manner in which and the purposes for which it can be incurred

2) The Spirit of the Rule referred to appears to permit the payment of Reasonable Remuneration to the police officers and staff on each and not meeting the expenditure incurred on Conveyance, &c on Such charges the object of the purpose is not made Specific Hence the Scale of such expenditure is also not defined and in the absence

The Executive Corporation C/B'lore No. A1-1090/51-52 dt 23.1.52 forwarding the Corporation Election Report

19) The Executive Report that the Corporation has approved of fixing the Remuneration to the officers and others engaged on the Conduct of the Corporation elections at Rs 1-8-0 per head as the Resolution dated 14.5.52 and Requests approval to the said Resolution and particularly Reference to the expenditure of Rs 843-6-0 incurred on Lunch, Conveyance etc

20) It is not clear from the Executive's Letter whether the Remuneration proposed only Rs 1-8-0 per head is exclusive of the expenditure of Rs 843-6-0 incurred on Conveyance, Lunch etc or which case Sanction has to be accorded to the payment of Remuneration at Rs 1-8-0 per head and also to the expenditure of Rs 843-6-0 If on the other hand the expenditure of Rs 843-6-0 is to be met out of the Remuneration to the officers proposed at Rs 1-8-0 per head, there it would result in some considerable as some officers were provided Conveyance on the election day,

Remuneration to police officers and Fire Service officers were met, and the adjustment and declaration of any excess over the expenditure already incurred would, for this reason also present certain practical difficulties

21) The Resolution of the Corporation is also not clear and the several explanations not reconciled

22) Steps for orders — Ref paras 14 and 15 above

3/6/52 23) There are two points for consideration 3/6/52

Orders First is the approval of Govt to the expenditure of Rs 4310 and Rs 84360 incurred by the Corporation already Second is fixing the scale for elections to be conducted hereafter

A 23) As regards the first point, the entire expenditure may be appd, as no scale has been fixed hitherto

24) As regards the second point the scale of Rs 1-8 per day is suggested by the Corporation Whether this is exclusive of conveyance charges or not is not suggested Hence a specific resolution

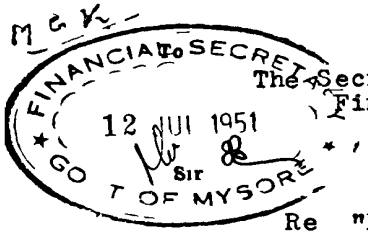
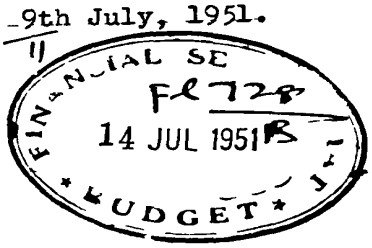
GOVERNMENT OF MYSORE

OFFICE OF
the Controller, State Accounts Department
No 5, Ali Asker Road, Bangalore,
Date 9th July, 1951.





To The Secretary to Government,
Finance Department,
BANGALORE

Sir

Re "Remuneration" in connection with the elections to the City of Bangalore Corporation

---

I write to state that according to Rule 13(1) of the Rules regarding Election of Divisional Councillors, the Commissioner shall appoint one or more Polling Officers for each Polling Station and such other persons to assist Polling Officers as he thinks necessary and pay them reasonable remuneration for their services In connection with the last general elections the Commissioner has incurred an expenditure of about Rs 4310/- and Rs 843-6-0 on account of Lunch and Meals charges on the day of election and on days prior to and after the election day, respectively The latter amount has been spent for the supply of lunch to the Corporation staff Also a bill for the payment of conveyance allowance to certain Polling Officers, who are mostly Government Officials, has also been received for audit and payment

In this connection a doubt is felt as to the nature of expenses that come under the term "Reasonable Remuneration" and whether the charges for Lunch and Tiffin and also conveyance charges to Polling Officers and their assistants can be included under the above term It is also not clear in the above Rule whether the remuneration referred to may be paid in cash only or whether it may be paid in kind also by supplying tiffin and meals etc No scale of expenditure has been prescribed either for payment in cash for purposes of conveyance or for payment in kind The maximum amount to be paid or expenditure incurred in respect of each Polling Officer and his assistants requires to be fixed for purposes of audit It is also a point requiring clarification whether such charges could be incurred for payment to staff on the days other than the date

date of election

I therefore request you to kindly obtain for the guidance of audit (a) clarification by Government regarding the term "Reasonable Remuneration" referred to in Rule 13 (1) above and (b) orders on the question of fixing the scale of expenditure to be incurred under each item by the executive authorities on such occasions, the manner in which and the purposes for which it can be so incurred A point for consideration in this connection is whether Government servants appointed as Polling Officers may not have to credit to Government any remuneration in the shape of cash not actually spent on the purposes connected with the performance of their duties as such

The expenditure incurred on the day of election has been admitted in audit and the Bills relating to conveyance charges and lunch charges for days other than the election day have not been passed pending clarification by Government The Commissioner has however obtained the sanction of the Corporation for this expenditure

Yours faithfully,
